

Clinic Coming Up & Annual Business Meeting

January 18th 2014, Jack Schwartz will be at Eric Gilleland's shop. The clinic starts at 9:00 am. Lunch will be provided by the GPFA. The annual business meeting will also be during lunch. Hope everyone can make a day of 2-in-1! Your Say MATTERS! Come attend the annual business meeting to make the GPFA the best it can be. Nothing can get better, if it doesn't know what to work on. The Treasurer's and President's term is up for re-election. Having a chance to be a part of the association first hand is a rewarding experience. If you have ever questioned it before, or thought of being an officer, this is a perfect opportunity. Even if you just want to be in one of our several committees throughout the year, this is the meeting to join up.

Annual GPFA Contest

The Contest was fantastic! Jason Gilliland, CJF, did an amazing job as our Judge. Being that Jason won the Open Division last year in Georgia, we were honored to have him give us his opinion of our work. Big thanks to Eric Gilleland, CJF, for keeping everything flowing as smooth as possible. Mike Rogers, your true-deep-southern voice kicked Saturday off with the National Anthem. Many more to thank and all of you should know it is greatly appreciated. Already looking forward to next year!

Congratulations to:

High Point Winners

Div. 1 – Hans Meier Div. 2 – Scott Taylor, DipWCF Open Div. – Phillip Box Jr., CJF

Best Shod foot

Div. 1 – Bobby Cornette Div. 2 – Tim Norris, CJF Open Div. – Chad Rice, CJF

If you have never competed before, now is a good time to get started.

Music City Farriers Association Contest will be February 14th, 15th, and 16th of 2014 at the Miller Coliseum in Murfreesboro, Tn. This is part of the Southern Equine Expo. I have had the pleasure in going the past 2 years and I don't plan on missing the 3rd.

Also..

We want to thank everyone who supports the GPFA! If it was not for all of you, the clinics, contests, and family events would not be possible. Please contact Lucas Gilleland at, lucasgilleland@gmail.com or 678-873-2555, with any suggestions or questions.
